# FSUS DIRECTOR MESSAGE

The end of the summer is bittersweet for some but not for our Seminoles! We begin our school year with the joy of learning and anticipation for our Fall sports season!

Year after year, Florida High continues to have athletes that are great role models; both on and off the field; consistently demonstrating teamwork and pride. You can see that on the sidelines as much as you see it in every play. FSUS Coaches and Athletic Trainers continue to serve as leaders; going beyond the usual roles expected of high school athletics. They are committed to taking care of each athlete with the goal of them becoming a great leader long after their days on our Florida High fields are done.

Athletic Director Anthony Robinson works hard to ensure that our students have fantastic athletic experiences through managing all details of scheduling and logistics while continuing to be a strong positive energy to ignite passion. As we enter our 2023 season, Coach Rob is committed to make sure that Florida High continues in our winning tradition by managing every detail of our schedule.

Marching Chiefs bring our fans the joy of music and athletics together. Band Director, Brian Hanson brings energy and excitement to the band, serving as a leader for our students and providing constant inspiration with a smile.

We are grateful for every Cheerleader that gets out there to get our fans cheering on our teams. You can see their commitment in every cheer. Without the cheerleaders, the atmosphere would not be nearly as spirited. Thank you to our Florida High Cheer Coaches for your support of our Cheer Team!

High performing teams are successful because of the collective work of the team members. I know that we are successful because of each one of you...boosters, community members and parents. Thank you for the support as we continue to work on "The Next Play." Friday Night Lights are that much more special because of you and your work.

One Team, One Goal! Go Noles!  
Dr. Stacy Chambers

## WE BEGIN WITH THE JOY OF LEARNING AND ANTICIPATION OF FALL SPORTS

FSUS would like to welcome you to our beautiful campus and athletic venues. We take pride in creating the best atmosphere for our student-athletes. Our football program has experienced much success while finishing as one of the top teams in the state year in and year out. While experiencing team success, our program has many players representing FSUS on many levels of college football and professional. Our Football program is led by one of the state's best coaches, Head Coach Jarrod Hickman; and our Defensive Coordinator Julius Harley has continuously produced one of the area's top defenses. The Florida State University School Athletic Program has been an important part of the FSUS experience for years. Our sports programs are second to none and our coaches have served the community in many different aspects.

Academic excellence is a part of the commitment FSUS athletes take when participating in sports and activities at Florida High School. 2021-2022 school year our student-athletes continued their commitment to fulfill high academic marks. Our student-athletes have not only excelled in the classroom but has led in setting the culture at Florida State University Schools. Our football team posted a team GPA of 3.18 for the spring Semester. 96 student-athletes completed the 2021-2022 school term with a GPA of 3.0-3.4. Students with a GPA of 3.5-3.9 were slightly higher with 85 students finishing the school year with a GPA in this range. 31 Students wrapped up the 2020-2021 school term with a GPA of 4.0.

## ACADEMIC EXCELLENCE IS PART OF THE COMMITMENT

As a representative of our school but a former head coach and parent it gives me great pleasure to lead our athletic program into the future. Being a coach I had the opportunity to work with so many wonderful families and students at FSUS. It warms my heart when I see so many of my former athletes doing great things in their communities and being great leaders. As a parent I'm so happy to witness my two sons have had the experience the FSUS family atmosphere. They both began their journey as kindergartners', to sideline coaches (coach's kids) and to now both being high school student-athletes themselves. To have alumni that watched them grow up, to now come back and become supporters of them play sports at Florida State University School. This in my opinion what makes FSUS so special. Truly makes the words #WeAreFSUS extraordinary.

I wish our 2022 Football team the best of luck as enter into another challenging year. With this special group of athletes and coaches, I believe we have what it takes to reach our goal. GO NOLES!

Anthony Robinson, Athletic Director

## Coaching Continuity

A football program is defined by many things, one of which is the tenure of its coaching staff. The Hickman dynasty aside, members of the Florida High coaching staff have been with the program for ten-plus years. That level of continuity has allowed Coach Jarrod Hickman to build a stable culture where everyone knows the expectations. The staff has bought in and is committed to the program's success.

Wyatt, we are so, so proud of you. You bring everyone joy and are always the life of the party. You have a champion mindset and do everything 110%. But most importantly, your physical size has nothing on your giant heart.

As you take the field as a Seminole for your final season, know that although it feels like a grand finale, this is merely the beginning of your next great adventure. We are so excited to see your journey unfold, and wherever life takes you, we will always be the ones cheering you on the loudest from the sidelines (with the cowbells).
